Dear Bud:

Thank you so much for the beautiful exhibit. It was truly enjoyed by all.

You did such a good job that the College exhibitor is going to start now with a new idea for next year. You really outdid yourself. I hope that this is the beginning of many more exhibits that will inform the public of the outstanding work that is being done by the schools here in Marin County.

Again, thank you and please pass on to all who worked with you our thanks and appreciation.

Sincerely,

Yolanda F. Sullivan
